Plus Eight,
the line of tonic waters
premium, organic and completely italian,
it's born from the perfect meeting among :

Innovation

The innovation is that required by the market,
bartenders and mixologists,
seeking the best filler, soft drink or tonic water
to combine to a premium spirit
in order to reach the perfection
and to create a premium cocktail.

Tradition

The tradition is carried in this line of tonics,
through the choice of raw materials, all organic
and italian, mainly sicilian, worked in respect of
traditions by getting balanced and biological
recipes with real and genuine flavors.

MADE IN ITALY 1.55mm A

PLUS EIGHT TONIC WATER

Made with natural quina

Finally a real natural flavor!

Its aromatic scents are enhanced by a perfect carbonation point. With every sip you can taste the biological and Italian raw materials.

Plus Eight Tonic Water should not be explained, it must be tasted!

During the colonial era the English soldiers had to defend themselves from malaria with quinine, take courage for battles with gin (as well as sweeten the bitter quinine) and prevent scurvy with vitamin C from lime.

This is how the Gin Tonic was born!

GIN & PLUS EIGHT TONIC

CHOOSE A GREAT GIN IS IMPORTANT. HOWEVER IT IS CRUCIAL TO MIX IT PERFECTLY, CHOOSING THE TONIC WATER THAT MOST ENHANCES ITS FEATURES.

THE METICOLOUS BALANCING OF PLUS EIGHT TONIC WATER BITTERNESS, IS THE STRENGTH THAT MAKE AMAZING THIS GIN & TONIC.

PLUS EIGHT ELDERFLOWER TONIC

Made with natural elderflower flavoring

Plus Eight Elderflower Tonic brings tonic water and cocktails to a new level, going to please even those who want a less pronounced bitter hint and the more sweet and floral notes.

Finally the Bartenders have also been satisfied, rediscovering elder flowers and their subtle and aromatic scents. So many new shades of cocktails were born, exalting otherwise hidden flavors of the best spirits.

GENTLEMAN GIN & TONIC

THE SWEET FLORAL AROMA OF ELDERFLOWER LEADS THE BITTERNESS OF TONIC WATER TO A HIGHER LEVEL. BLENDED WITH PREMIUM GIN, IT WILL SURPRISE EVEN THE MOST DELICATE TASTES, IN A GIN&TONIC SOFTER AND CAREFREE.

PLUS EIGHT LEMON TONIC

*Plus Eight Lemon Tonic is overly simple :
a perfect balance between quinine and
Sicilian organic lemon juice!*

*Forget all the other sweet lemonade, in
Plus Eight Lemon Tonic you will feel
the real flavor of the citrus King of Sicily!*

*Also this mix was born in Africa during the colonial era,
as prevention against malaria.*

*You can drink it alone to prevent fever and cool off,
or mixed with a refined and aromatic Vodka.*

VODKA & LEMON PLUS

THE MOST CLASSIC OF THIRST QUENCHING COCKTAILS.

NO ONE SAYS NO TO A VODKA LEMON.

PRODUCTS, LIKE A PREMIUM VODKA AND A LEMON TONIC MADE
WITH ORGANIC SICILIAN LEMONS.
